Subject: Arkwood Meeting with Mr.Grisham
Date: 10/04/2011 08:38 AM

We are scheduled to meet with Mr. Grisham on November 9, 2011, to discuss the Arkwood site. Please save this date and I will check with Mr. Grisham to see about what time he can meet with us. It will probably be in the morning. Please let me know if this works for you. He wants to make sure the remedial and legal (EPA attorney) are present at the meeting. Thanks CAS
